WHY CHOOSE THE ZEF?

And when it comes to convenience, the ZEF series can't be beat. This tough handheld unit is designed specifically for cleaning in tight quarters and comes standard with a remote on/off switch and Auto Start/Stop.

An optional wall mount and wand holder kit is available for those shops where space is at a premium. An extra set of illustrated operation and warning stickers can be placed at eye level, ensuring the safety of all employees in your plant. While it is an excellent choice for cleaning indoor work areas and equipment, its industrial-strength motor and rugged frame make it an effective choice for outdoor jobs, as well.

SPEED IT UP WITH ACCESSORIES

We offer a number of pressure washer accessories to reduce your cleaning time. Depending on your cleaning application, choose from items such as flat surface cleaners like the Water Jet, rotary nozzles, extension wands and more.

If you're cleaning long hours at a time, the EASY!Force trigger gun is an ideal and innovative solution to alleviate user fatigue. It's designed to use its own recoil force to hold the trigger down, which means you won't have sore hands after hours of use.

We also offer accessories designed to lengthen the life of your equipment, such as hose reels, which not only protect the high-pressure hose from damage, but help with storage when not in use.

Give us a call to learn which accessories are suitable to use with your pressure washer - and your application.

DETERGENT FOR EVERY JOB

Landa innovative detergent lineup makes your cleaning job easier and faster. Phosphate-free to meet the most stringent environmental demands without sacrificing cleaning effectiveness. We'll match you with a product designed for your specific application.
